AUGUST 2022

First United Methodist Church of Windsor, NY

REV. EDWARD HONRATH, PASTOR

From the Pastor – August 2022

Happy New Year!

If you were at or viewed our service on July 3rd, you would have heard me say that and know why. For those that missed it, I explained that since our church year is from July 1 through June 30 each year, July 3 was the first time we were together in the "new year" for us. It also marked the beginning of my second year serving Windsor UMC.

Reflecting back on my first year serving Windsor, I found it at times challenging, but overall, a wonderful experience and has helped me grow as a pastor. Windsor is not a "big" church as compared to many, but it is the largest both physically and member-wise that I have served in my first six years as clergy.

There have been a number of firsts for me. For example, the part-time staff, as well as the numerous volunteers, are a great help to me. A lot gets done that many are not aware of and I have a great appreciation for all of them.

The worship service, being live-streamed on Facebook was new, and at first was a little intimidating, as it leads to a feeling that everything has to be perfect. (I think you have gotten used to me not hitting that target.)

The children! I have never had that many children for the children's message before. It is challenging trying to provide them a message that means something to them, and fun as well, especially with some of the answers to questions I ask them!

I look forward to this new year, and growing as a person and pastor along with all of you.

Pastor Ed

*"There's a season for everything and a time
for every matter under the heavens."*

Worship

As part of our worship service, we invite volunteers to participate in the service. We would enjoy having you consider being a worship leader on Sunday mornings as you assist Pastor Ed in the service. You will lead the congregation in our Call to Worship, Unison Prayer and also read scripture lessons, all of which are provided by Pastor. If you wish to only participate in one reading, that's also ok!

Please contact Sue in the office or Isabelle Jahn, our worship leader coordinator, at (607) 655-1499. Thank you for considering this valuable part of our Sunday worship. Services are at 11am in our sanctuary. You can also join us on Facebook.

Thinking of becoming a new member or transferring your membership to WUMC? We are blessed to see new faces among the congregation each week. Fill out a connection card and let us know who you are!

Pastor Ed will be welcoming new members soon. Please contact him for information (607) 373-9125 or pastoredhonrath@gmail.com

WHERE DO YOU SEE YOURSELF SERVING AMONG US? The Lay Leadership team at WUMC is continuing to fill our administrative and service committees and preparing for a new year. Thank you to those who have served and who continue to serve.

Where do you see your gifts and talents being used in service - Nurture Team, Trustees, SPPR, Lay Leadership, Missions? Please contact Pastor Ed or any member of the Lay Leadership Team for more information: *Sue Bennett, Sandy Dodd, Sally Forbidussi, Kate Daum, Lisa Henley, Carol Carpenetti, Geri Tow and Pastor Ed.*

Nurture Team Report for Church Council - Sally Forbidussi, Co-Chair

The Sunday School is continuing to share the gospel with our church family. The Family Love Day mission projects were well received. Thank you to the congregation for bringing in over 250 items that were brought to both CHOP in Philadelphia and Golisano in Syracuse for the children at the hospitals. Also, the prayer bears for our list of shut-in friends have almost all been distributed. Rae DeVoe even brought her prayer bear to church in her walker pocket with the help of her aide.

The children in Sunday School have been coming almost every week with wonderful smiles. They have been practicing singing with Loa for the upcoming celebration of thanking Lael for her love and dedication to Jesus and the church. Because of Lael, we have all learned to sing! The children will be singing on March 27th during the worship service.

On March 6th, we did a noisy can collection during church and collected \$185.00 to be used towards the supply list for the grief counseling class being offered by Pastor Ed and Carol Holland. March 13th, we had a lot of snow and most of the children enjoyed the snow at home.

We have many upcoming things. April 10th will be the almost annual Little Lamb Lunch and celebration of Easter. We will be singing in church and doing a small skit. Three students will be receiving their bibles during church. After church, we are inviting families to bring a dish to pass, stay for lunch, enjoy an Easter bonnet parade with prizes for those who make a hat and wear it, have an Easter egg hunt, make crafts, help with a mission project, and enjoy the fellowship of our church family. There will be no Sunday School on Easter.

Terry reports that the next Sunday School mission will be hanging children's story books of God's love on our clotheslines after the winter mittens, hats and scarves are removed.

Worship Team: Bob Bennett

Palms are ordered. Carol mentioned that we are invited to Fairview UMC for their Maundy Thursday service at 7pm. They will have a depiction of the Last Supper.

Pastor Ed reported that the Emmaeus Group will meet at WUMC on April 2. Was rescheduled from March 12.

Jay MacNamee and Ryan Foribidussi have agreed to assist with camera on Tech Team.

No meeting in April

Trustee Team: Keith Royer

Second door from parking lot into hallway needs repair at the bottom. Tape is on now; rRequest as to where the outside cameras are located; strobe light on the pole out by the back parking lot is flashing; lights over choir loft; Ants found in Ladies bathroom

A suggestion by Pastor Ed was to create a work list and post it and if anyone can repair an item(s), have them mark off and initial when repaired.

Lay Leadership Team: Several vacancies to fill and Pastor Ed will send out a meeting notice.

Missions Team: No report

Balance of General Fund as of 3/14/22 is \$10,156.40 after deducting pre-pay balance of \$2,800 and Pastor Discretionary \$1,865.97. The stove in kitchen was producing a very strong odor of gas and Mirabito was called. Their test revealed no leak and Norm Quinn suggested the shut-off valve be turned off.
